

BOSTON PRIMARY SCHOOL

APPLICATION PROCESS FOR ENROLMENT AT BOSTON PRIMARY SCHOOL

The 2023 applications for enrolment are processed online via the Western Cape Education Department (WCED) website from 14 March to 15 April 2022.

Access the WCED website to register (<https://admissions.westerncape.gov.za>). Once registered, login to complete the application and upload the requested documentation. Apply to at least three schools as schools receive more applications than they can accommodate.

Between 18 April to 20 May 2022 the schools process the online applications. Ensure that all the details you captured and uploaded are correct. We are unable to process incomplete applications or make changes after the closing date (15 April). During this time, 18 April to 20 May 2022, we will make contact with you to verify your details, if necessary.

Parents will be informed of the outcome of their application between 27 May to 3 June 2022 via an email/sms from the WCED website. You will have until 17 June 2022 to confirm your acceptance or withdraw the application.

Should you confirm acceptance at Boston, you will be requested to submit the following documents to the School as per our Admissions Policy:
